**The Fromm Institute
For Lifelong Learning**
at the University of San Francisco

Introducing Our New Donor Recognition Program

Lifelong learning thrives at the Fromm Institute because of you. You help turn classrooms into communities and lectures into lasting experiences.

For the coming academic year, 2025-2026, we're excited to introduce our new **Donor Recognition Program**. These giving tiers offer new ways to engage, enjoy exclusive benefits, and receive the recognition you deserve.

This new program **complements** our existing giving options—including tribute gifts and legacy support through the **Fromm Society**—as we continue building a strong, connected donor community.

Discover more about our new giving tiers and the meaningful ways we honor your contributions.
